

**Certification of Health Care Provider
(NSHE Board of Regents Handbook. Title
4, Chapter 3, Section 19.7)**

After 12 continuous months employment, where a physician certifies that a professional staff member is unable to resume duties after exhausting all accumulated sick and annual leave, the professional staff member may petition for, and may be granted, with the approval of the President extended salaried sick leave. Approval may be given only if the funding source permits payment of extended salaried sick leave.

During extended salaried sick leave, no annual or sick leave shall be earned. If at the end of the extension period a physician certifies that the professional staff member is still unable to resume duties, the appointment shall be terminated. Where employment shall be terminated under these circumstances, the provision of Title 2 of the Board of Regent's handbook shall not apply.

<p>State the approximate date the condition commenced: _ _</p> <p>What is the probable duration of the condition: _</p> <p>What is the probable duration of the employee's period of incapacity. "Incapacity" is defined to mean the period of time during which the employee is unable to perform his or her regular work due to the serious health condition, treatment therefore, or recovery therefrom: _</p> <p>_ _</p>

--

If medical leave is required for the employee's absence from work because of the employee's own medical condition, (including absences due to pregnancy or a chronic condition), is the employee able to work with restrictions? If so, please provide detailed restrictions below.
