

### School of Public Health 3 Year Course Rotation, Fall 2022-Summer 2025

Below is the 3-year course rotation for courses offered as part of the Master of Public Health (MPH) program. The schedule below should be used as a reference as to when classes are expected to be offered. While the department will do its best to meet the schedules outlined below, course offerings are subject to enrollment and faculty availability. Students are encouraged to take courses during their fall or spring schedules as summer courses may be subject to cancellation due to low enrollment. To assure availability of classes, make sure you contact your adviser each semester to update your plan of study.
