

PROPERTY DAMAGE / THEFT _____ PROCEDURES

The goal of the Business Center South Risk Management & Safety department (BCS-RMS) is to protect the students, staff, visitors and the institution from injury and/or financial loss. To pursue this goal, we have implemented some guidelines and procedures for departments to follow if property belonging to your institution is damaged or stolen.

All property losses should be reported to BCS-RMS as soon as possible. Claims are administered by the BCS-RMS.
